Hello Everyone,

I do apologise for the late MOU on FLock. We have been working with them to move through the process of selecting locations that ensure our agreed upon zone is covered.

Attached is an MOU stating the cost breakdown we agreed to and that all parties of the MOU will have access to the system through MUSD, the admin and fiscal agent for this contract.

Please let me know if you have any questions or concerns.

Best,

--

Good morning, Casey.

Thank you for providing the draft Memorandum of Understanding regarding the FLOCK System cost-sharing agreement. After internal review, we request the following revisions to bring the agreement into compliance with Kern Community College District (KCCD) contracting standards:

1. Update the legal name to: **Kern Community College District on behalf of Cerro Coso Community College.**
2. Include **mutual indemnification** language.
3. Specify that **no binding arbitration** is permitted in dispute resolution.
4. Add **governing law and venue** language: "This agreement shall be governed by the laws of the State of California, County of Kern."
5. Include **insurance requirements** or indicate if a General Release & Waiver of Liability Form will be provided. https://www.kccd.edu/business-services/_documents/COI%20Guidelines_Sample%20COI_11072024.pdf
6. Update the **signature block** to list Kern Community College District on behalf of Cerro Coso Community College, with Melissa Thornsberry, Chief Financial Officer as authorized signatory.

<https://www.kccd.edu/business-services/general-contract-information.html>

Please let us know if you require suggested language for any of these sections. We appreciate your cooperation and look forward to finalizing the agreement.

Best regards,

Kevin King

Hi Kevin,

Just wanted to check in with you about the added language to the MOU and getting the property agreement with flock. We are close to having their team come out, but we need to have the letter from CCCC signed. I can resend that document if it helps while we sort out the MOU.

Best,

Hello Casey,

I apologize for the delay. There was some confusion about where we were in the process. The following is the Language we require for the MOU:

Mutual Indemnification

Each Party to this Memorandum of Understanding ("MOU") agrees to be responsible for its own acts, omissions, or negligence, and the results thereof, to the extent authorized by law, and shall not be responsible for the acts, omissions, or negligence of the other Party.

To the extent permitted by law, each Party (the "Indemnifying Party") agrees to indemnify, defend, and hold harmless the other Party, its governing board, officers, employees, agents, and volunteers (collectively, the "Indemnified Party") from and against any and all claims, demands, damages, losses, liabilities, or expenses (including reasonable attorneys' fees) caused by or arising out of any negligent or wrongful act, error, or omission of the Indemnifying Party in the performance of this MOU.

Nothing in this MOU shall be construed to waive any immunities or limitations of liability that either Party may have under applicable law, including but not limited to the California Tort Claims Act (Government Code § 810 et seq.).

This indemnification provision shall survive the termination or expiration of this MOU.

Please let me know what your understanding of the current status of our collaboration in the project.

Good morning,

Thank you very much for this. My team We need a couple more changes:

1. Update Kern Community College to "*Kern Community College District*"
2. And we need some language about insurance:

Insurance

Each entity shall either:

- Provide a Certificate of Insurance (COI) naming Kern Community College District as an additional insured, OR
- Sign and submit a General Release & Waiver of Liability Form, if a COI is not available (e.g., individual, small business, or entity without employees).

Thanks again.

Good Morning Everyone,
Attached is a new draft for the team's review regarding the joint collaboration to implement and share the FLOCK system. It has gone through a number of iterations. If there are edits or corrections that are needed please let me know. I understand that each agency may have different levels of minimum coverage.
Thank you for your continued efforts.

Best,

We do not. I am not sure if that will be a deal breaker for Cerro Coso. We have talked about it with MCOE IT and Lisa. I do not think MCOE has any if memory serves from out IT meetings with Joe.

We do not that myself, Jennifer nor Joe are aware of. I'll ask around at the County Supts meeting about if other offices have this and where they have procured it. I can also ask Jennifer to see if SISC offers that coverage?

What else would you like us to do as next steps - it seems that I am unable to sign this MOU as we would not be in line with our responsibilities as outlined at this time.

I will be reaching out to Cerro Coso to see if this is a deal breaker with them or not. I am not sure if our general liability coverage will suffice or not.

When I sent this out it was to see if anyone else had any issue with the coverage requirements. So far it is just MCOE and MUSD. They have changed the language a half dozen times so I finally asked them to edit it to their standards so we could stop spinning our wheels.

Will stay in touch as I know more.

Best,

Hello Everyone,

I wanted to give an update on the collaborative MOU with Cerro Coso. After many many months it is official that Cerro Coso will be unable to participate with the FLOCK system. We have since been coordinating with FLOCK to select new locations that benefit the existing team. With the help from Chief we selected to have additional coverage in TOML's parcel development.

I will be redrafting an MOU with revised numbers for your review. I apologise that this has taken so long. MUSD will be absorbing Cerro Coso's costs for this project to stay true to what was initially offered. I hope to follow up by the end of tomorrow with this team.

If you have any questions or concerns please do not hesitate to reach out.

Best,

Good Afternoon Everyone,

Hope everyone is enjoying their Thursday. Attached is a revised MOU that has additional appendices to formalize who will have access to the system along with some training to ensure your organizations have the access they need. Additionally, I recalculated the numbers with the loss of one of our partners. For the prior year and current year MUSD will cover the increase in cost. Next year the cost will be split between the remaining members. Appendix B breaks out the invoicing given MUSD was unable to invoice for last year. If there are any questions or concerns I am here to help answer them.

Thank you for your continued support.

Best,

Wed, Apr 15, 2026 at 5:36 PM

To: Casey O'Neill <coneill@mammothusd.org>

Thank you Casey. In the amounts tables, you have an error for Flock for MUSD picking up the additional cost - I think you should have \$6,000 in those first 2 tables. Same error in Appendix B tables.

One other thought for term - can we just make this effective when signed and run through June 30, 2027 rather than current language?

Duration and Termination

1. This MOU will take effect on June 10, 2025 and remain in effect for a period of one (1) year.

Would you like us to get this MOU signed and returned after you send the correction?

Hi Casey

If you could make the sentence after the bullet points in the "Insurance Requirements" section read:

"Each party shall, upon request, furnish the other party with a certificate of insurance containing the endorsements required under this section, and each party shall have the right to inspect the other party's original insurance policies upon request."

We'd be happy with that. Sorry, I can't mark up the pdf document itself so I hope that description is adequate. If not, let me know and I'll go harass someone with a pdf editor 😊

Hi Casey

Please find our copy attached. Would you mind sending us back the final copy once everyone has signed?

Thank you for all your hard work on this.

Thanks, Alasdair,
Yes, once the MOU is signed by all parties we will get a master copy to all parties.
Have a great day.
Best,

Mon, Apr 20, 2026 at 11:17 AM

We finally have all the partners signed on. We are the last ones.
Thanks for your patience with this. I assume it too will need to go to the board, correct?
Best,

Good Morning Everyone,
Hope you all had a great weekend. Attached is the MUSD Board Approved and signed copy of the FLOCK MOU. MCOE has given us the list of approved users and MUSD will go through this process later this week. Can the Hospital please fill out this section and return it to me at their convenience. Once we have those team members in place I can coordinate any training and access to the platform for those members.
Thank you all again for the continued support of this project and your patience while we coordinated with all community partners.
Best,

Hi Alasdair,

Hope you are well.

Not sure who best to send this invoice off to for the FLOCK services. Please see attached. If you need additional information please let me know.

Best,

Thanks Casey

I don't think I know who here ultimately needs to get these either, so I'll figure that out and get back to you. FYI I'm leaving the hospital so it definitely won't be me next time but I'll make sure you have all the right information before I go.
