1. CALL TO ORDER

2. PUBLIC COMMENTS

The Public Comment portion of the agenda provides the public with an opportunity to address the Commission on matters not otherwise listed on the agenda. Under California law the Commission is prohibited from generally discussing or taking action on items not included in the agenda; however, the Commission may briefly respond to comments or questions from members of the public. Therefore, the Commission will listen to all public comment, but will not generally discuss the matter or take action on it. Requests for service from the Town may also be made at the Town offices during regular business hours. Members of the public desiring to speak on a matter appearing on the agenda should ask the Chair for the opportunity to be heard when the item comes up for Commission consideration.

3. CONSENT AGENDA

3.1 Approve the minutes of the regular meeting of May 26, 2026.

4. PRESENTATIONS

4.1 2026/27 LA Kings Ice at Mammoth Lakes Operating Plan

8. ADJOURNMENT

The Commission adjourned the meeting at 4:48 p.m.

_____

Jamie Gray, Town Clerk

2026/27 LA KINGS ICE AT MAMMOTH LAKES OPERATING PLAN

FACILITY INFORMATION

The Mammoth Lakes Community Recreation Center (CRC), located at Mammoth Creek Park, is a 40,000 square foot Sprung Performance Arena enclosing *LA Kings Ice at Mammoth Lakes*. The CRC will be open and available to the public year-round, with the ice rink operating annually each winter season between the months of September and April. The facility offers public skating sessions, skating lessons, adult and youth hockey programs, and curling. It is home to Mammoth Lakes Youth Hockey (Mammoth Stars) and LA Kings High School Hockey League team, the Bishop Broncos. Amenities include skate sharpening, skate rentals, skate aids, and snack and beverage services. *LA Kings Ice at Mammoth Lakes* is a drug, tobacco, and alcohol-free facility. Children under 5 years must skate with an adult and children under ten years must be supervised by an adult at all times. *LA Kings Ice at Mammoth Lakes* is owned and operated by the Town of Mammoth Lakes in partnership with National Hockey League (NHL) franchise, the LA Kings. American Sports Entertainment Company, LLC (ASEC), has been contracted by the Town to deliver year-round technical and operational consulting services for the facility. We look forward to welcoming you to *LA Kings Ice at Mammoth Lakes* this winter!

LOCATION, PARKING & TRANSIT

LA Kings Ice at Mammoth Lakes is located at 686 Old Mammoth Road (Mammoth Creek Park). The CRC is the major recreation amenity at Mammoth Creek Park that includes a natural play area, shaded seating, outdoor climbing boulder, a National Demonstration Site inclusive playground, a mobility hub with parking for up to 118 vehicles, a bus shelter and electric vehicle charging stations (Tesla + Type 2) with convenient access to the Mammoth Lakes Trail System/Town Loop and FREE local bus routes.

DATES OF OPERATION*

LA Kings Ice at Mammoth Lakes is scheduled to open for public open skate on Thursday, October 1, 2026, and is scheduled to close on Sunday, April 11, 2027.

Scheduled Opening: Monday, September 14, 2026 (Hockey, Curling & Skating Lesson Programs)
Thursday, October 1, 2026 (Open Skate)

Scheduled Closing: Sunday, April 11, 2027

**Subject to change.*

HOURS OF OPERATION*

The facility is open seven days a week, typically from 12:00pm to 10:00pm. Days and hours of operation are updated weekly on www.lakingsiceatmammothlakes.com.

Holiday Schedule: The facility will primarily offer public skating during holiday periods.

Holiday Periods	Operating Times	Additional Information
Friday, November 26-29, 2026	12:00 - 10:00pm	CLOSED Thanksgiving Day Schedule may vary due to hockey tournament

ICE SKATING LESSONS –SKATING ACADEMY

Join our Mammoth Lakes Ice Skating Academy. Whether you have a future Olympian, or they just want to skate for fun, our Learn to Skate program is the perfect place to start. Classes are organized into age-specific levels and designed for any beginner to acquire the necessary skills to enjoy the sport of ice skating for a lifetime!

The curriculum is designed to:

1. Make your skating experience safe and pleasurable.
2. Improve your skills through progressive levels that will yield confidence and satisfaction.
3. Build a solid foundation for ice skating or ice hockey offered at *LA Kings Ice at Mammoth Lakes.*

Classes include 30-minute instruction time and unsupervised warm-up/practice time during Skating Lessons session times (Tuesdays and Thursdays, 2:00-4:30pm and Saturdays 10:00am-12:00pm). Classes are offered for all ages and levels. All participants receive a certificate of achievement and one complimentary skate session with rentals for your next visit. ***Instructors will assess student's skill level and place them in the appropriate level on the first day of class and/or enrollment.***

FALL, WINTER and SPRING Sessions – 6 Week Program
Classes are scheduled for a 6-week period from **October to December 2026, January to February 2027, and February to April 2027.** Classes are held every Tuesday and Thursday from 2:00-4:15pm, and Saturdays from 11:00am-1:00pm. The program fee is only $100 per 6-week session, and includes skate & helmet rentals. Registration is available online.

Parks and Recreation Commission
Staff Report

Meeting Date: August 4, 2026

Prepared by: Stuart Brown, Parks and Recreation Director

Title: Appointment of Chair and Vice Chair, Annual Parks and Recreation Commission Meeting Schedule and Workplan Calendar

Agenda: Discussion item

Recommended Motion: By motion, appoint the chair and vice chair, establish a regular meeting schedule and approve the Parks and Recreation Commission Workplan Calendar**.**

Background Information: The Parks and Recreation Commission is a five-member advisory body to the Town Council. The Commission currently meets once per month, and has powers and responsibilities as set forth in the Town's Municipal Code (Chapter 2.40), including establishing a schedule of regular meeting times and places.

Appointment of Chair and Vice Chair
Based on previous action taken by the Commission, the appointment of the Chair and Vice Chair takes place when terms expire for members of the Commission and subsequently, when Town Council either reappoints previous members or new members to the Parks and Recreation Commission. Chair Dan O'Connell and Vice Chair Silver Chesak's terms ended on July 31, 2026. Town Council reappointed Dan O'Connell and Silver Chesak to the Parks and Recreation Commission on July 1, 2026 with terms expiring on July 31, 2030.

Staff is recommending the commission by motion appoint a Chair and Vice Chair for a period of two (2) years expiring on July 31, 2028.

2026/27 Meeting Schedule
Currently, the Parks and Recreation Commission meets six times per year on the first Tuesday of every second month at 2:30 p.m. in the Council Chambers (Suite Z). Staff is requesting the Commission affirm the existing time or determine a new time for the regular meetings of the Parks and Recreation Commission. A consensus of the commission is sufficient for Town staff to notice the meetings.

2026/27 Meeting and Workplan Calendar
To facilitate the powers and duties of the Parks and Recreation Commission, along with the work plan of the Parks and Recreation Department, Staff is requesting the commission review and approve (with modifications if necessary) the 2026/27 Meeting and Workplan Calendar as presented.

The meeting schedule and current roster of the Parks and Recreation Commission is regularly updated and posted on the Town of Mammoth Lakes website: https://www.townofmammothlakes.ca.gov/92/Recreation-Commission.

- OPEN
- Last day of operations August 30, 2026

Whitmore Pool

- OPEN
- Last day of Open Swim August 30, 2026
- Last day of Lap Swim September 11, 2026

INVEST IN THE TOWN'S RECREATION AMENITIES

Capital Projects

Provide multi-purpose, year-round, indoor and outdoor recreation amenities in Mammoth Lakes accessible to all residents and visitors. Capital Improvement Projects (CIP) include:

A. Mammoth Creek Park West Rehabilitation Project Update

- On-going projects:
  - CRC railing for stairway – Included in summer fencing project
  - Park identification and Kiosk sign – planning underway by OOR
  - Bike racks – installed
  - Landscaping – planned for summer 2027
  - Park Amenities – placement of donor benches

B. Community Bike Park/Pump Track Development

- The Town has contracted with the American Ramp Company for professional bike park consulting services. The Scope of services includes:
  - Kick-off and Site Review
  - Preliminary Concept
  - Refined Concept
  - Final Concept
  - Deliverables

Services shall be completed no later than December 31, 2026.

C. Dave and Roma McCoy Arts and Cultural Center Programming Development

- Construction Update – Concrete columns are complete with the CMU block walls being constructed between them. Steel roof beams are scheduled for installation at the end of July/beginning of August. Work on the exterior improvements of the Edison Theatre is underway, while plans for interior improvements are being finalized. Scheduled opening is early summer 2027.

Recruitment

- The Arts and Culture Manager position received 60 applications.
- 16 applicants were interviewed with 5 finalists interviewed in the second round.
- 3 finalists participated in a Community Panel on July 22 made up of local arts organizations who also rated the applicants.
- The Town made an offer to a candidate on July 27.
- The anticipated start date is August 17.

Planned Maintenance

Conduct planned maintenance activities to enhance prioritized parks, fields, facilities and trails.

- CRC Phase II work program
  - Front Counter – PVIOT Design
    - 8/14 – on site delivery
    - 9/1 – 10/15 – Pivot install

    - 10/15 – 11/15 – celling, mechanical and fire install, etc.
    - Ready for Thanksgiving!

- Mammoth Creek Park West
    - Park benches – TBD Amenities Enhancement Program (MLR)
    - Deck Railing
- Community Bike Park
    - Agreement executed with American Ramp Company
- Permanent Pickleball Court containment fencing – 4 feet high – Bid published
- New tables for Community Center
- New fences at SRP from restrooms to skatepark – Bid published
- Dog Park – Gates for large/small dog areas – bid published
- Dog park shade tables - INSTALLED
- Playground rehab and safety surfacing (EWF) – estimate $50,000
- MCP Landscaping project – scheduled for 2027
- Water Bottle filling Station at Pickleball Complex – INSTALLED
- New pool covers / warranty existing covers – ORDERED, arrive Mid-August
- Annual Whitmore Pool Maintenance Agreement – site visit beginning August

DELIVER HIGH-QUALITY, AFFORDABLE, AND SUSTAINABLE RECREATION PROGRAMMING

Smart Growth – Expand access, availability, affordability and DIVERSITY of parks and recreation programs and services

A. **Affordability** - Increase Tony Colasardo Scholarship opportunities for all youth and provide payment plan options for adults.

B. Access - Expand discounted in-person, limited sale Membership and Play Pass products and maximize access to summer camps and programs. The annual Membership discounted sale period opened on May 1 and is scheduled to end on May 31. No changes were made to the fees, however there is a 2-month minimum purchase period.

One Membership, Endless Fun!

Discounted in-Person Membership Sale is NOW OPEN!

Enjoy year-round recreation with the **NEW Mammoth Lakes Parks and Recreation Annual Membership**. Get your unlimited access to Town-managed facilities:

- OPEN SKATE/CURL at ***LA Kings Ice Mammoth Lakes****
- OPEN SWIM (including Lap Swim) at ***Whitmore Pool***
- OPEN PLAY (including Pick Up sessions) at the ***Mammoth RecZone***
- Members also receive additional perks including complimentary events, rental discounts, and more (see below)

Purchase your Membership in-person from May 1-31 at the Parks and Recreation Department offices, located at the Community Recreation Center / LA Kings Ice at Mammoth Lakes, Monday - Friday, between 1:00-5:00pm.

**Membership admission does NOT include Pick Up Hockey or Stick Time. Open Curl requires an advance reservation.*

Parks and Recreation Master Plan

TOWN OF MAMMOTH LAKES
PARKS & RECREATION MASTER PLAN

Develop a new Parks and Recreation Master Plan that includes updated goals and policies, an analysis of the supply, demand and needs for park and recreation facilities and services within and surrounding the Town of Mammoth Lakes and an action plan with conceptual site plans that articulate a clear vision and "roadmap" for the Town over the next 10 years or longer.

- **Community Needs Assessment Survey**
  - Survey – household survey: 478 completed (Goal: 500)
  - Online survey NOW available: 650 completed (Goal: 500)
  - Both surveys closed April 30

- **Future Park Amenities Survey**
  - Opened on July 2 – temporarily closed on July 8
  - Received 78 responses
  - Version 2.0 is being finalized – review
  - Plan to republish beginning in August – will close August 31

- **Upcoming Meetings/Events**

Date	Meeting/Workshop

Mammoth Lakes, California

TOWN OF MAMMOTH LAKES
PARKS & RECREATION MASTER PLAN

PRMP ADVISORY COMMITTEE MEETING #4

July 27, 2026

Agenda

- Progress Update
  - Future Park Amenities Survey Update
- Draft Recommendations Overview
  - Potential New Park Opportunities
  - Potential Sites for Indoor Recreation Facilities
  - Enhancements to MUP System
  - Improvements to Existing Parks
- Next Steps

Please Note: We have a lot to cover tonight! We incorporated discussion time throughout the presentation, but please try to be mindful of your speaking time.

Progress Update

Project Timeline

We are in the recommendations development phase of the project timeline.

Community Engagement Schedule

Fall 2025
- PRMP Advisory Committee Meeting #1
- Pop-Up Booth #1
- Community Survey Opens

Winter 2025/26
- Parks and Recreation Commission Presentation #1
- PRMP Advisory Committee Meeting #2
- Virtual Focus Group Meetings

Spring 2026
- Pop-Up Booth #2-3
- Focus Group Meetings
- Community Survey Closes
- PRMP Advisory Committee Meeting #3

Summer 2026
- Future Park Amenities Survey
- PRMP Advisory Committee Meeting #4

Fall 2026
- Community Open House
- Pop-Up Booth #4

Winter 2026/27
- PRMP Advisory Committee Meeting #5
- Parks and Recreation Commission Presentation #2
- Town Council Presentation for Adoption

Update on Future Park Amenities Survey

- **Intent:** Gather public input on amenities for two potential park sites: the Bell Shaped Parcel and a Whitmore Recreation Area expansion to help inform future site park planning and design.
- **Initial Community Response:** Opened on July 2nd and collected 78 responses before it was temporarily closed on July 8th due to community concerns about the nature of the questions for Bell Shaped Parcel.
- **Main Concerns:**
  - Required Selection of Favorite Draft Park Concept: A question that required people to select their favorite out of three draft concepts without providing a fourth multiple choice option for people to say they do not want the site developed into a park at all.
  - Zoning Confusion: The inclusion of housing in the draft park concepts without making it clear that if housing is pursued, it would require a zone change, as housing is not currently allowed under the site's existing zoning designation (Open Space). Any zone changes would require public hearings and approval from the Planning Commission and Town Council.

Update on Future Park Amenities Survey

- **Town Response:** The Town heard concerns about the survey format and promptly closed it, recognizing that in order to collect meaningful input in a format that respondents can trust, the survey needed to be reformatted to address concerns.
- **Next Step:** Taking community concerns into consideration, we plan to re-release it with clearer Bell Shaped Parcel questions, such as:
    - More background context and information: More background context and clarity that any next steps for the site would involve additional community engagement and abide by federal, state, and local laws.
    - Removal of draft park concepts: Questions will focus on ranking amenity preferences generally instead of asking people to provide input on draft conceptual park layouts.
    - Separate question about housing: Adding a separate question about the potential for workforce housing to be a component of the site and noting that housing would require public hearings and a zone change approved by the Planning Commission and Town Council.
    - Clear option to oppose site development: Giving people a clearer option to oppose the development of the site for a park and/or a park with workforce housing, rather than open-ended comment fields.

Final Outreach Opportunities

Relaunch Future Park Amenities Survey: Date TBD

Community Open House:

Wednesday, September 23

Pop-Up Booth at Mammoth Trailfest:
Thursday, September 24

Draft Recommendations Overview

Draft Recommendations Overview

The recommendations chapter of the PRMP will be organized into these sections:

- Improvements to existing parks, recreation facilities, and MUPs
- Opportunities to reconfigure or expand existing parks and recreation facilities
- Opportunities to develop new parks and recreation facilities
- Strategies to enhance recreation programs and special events
- Overarching goals and policies

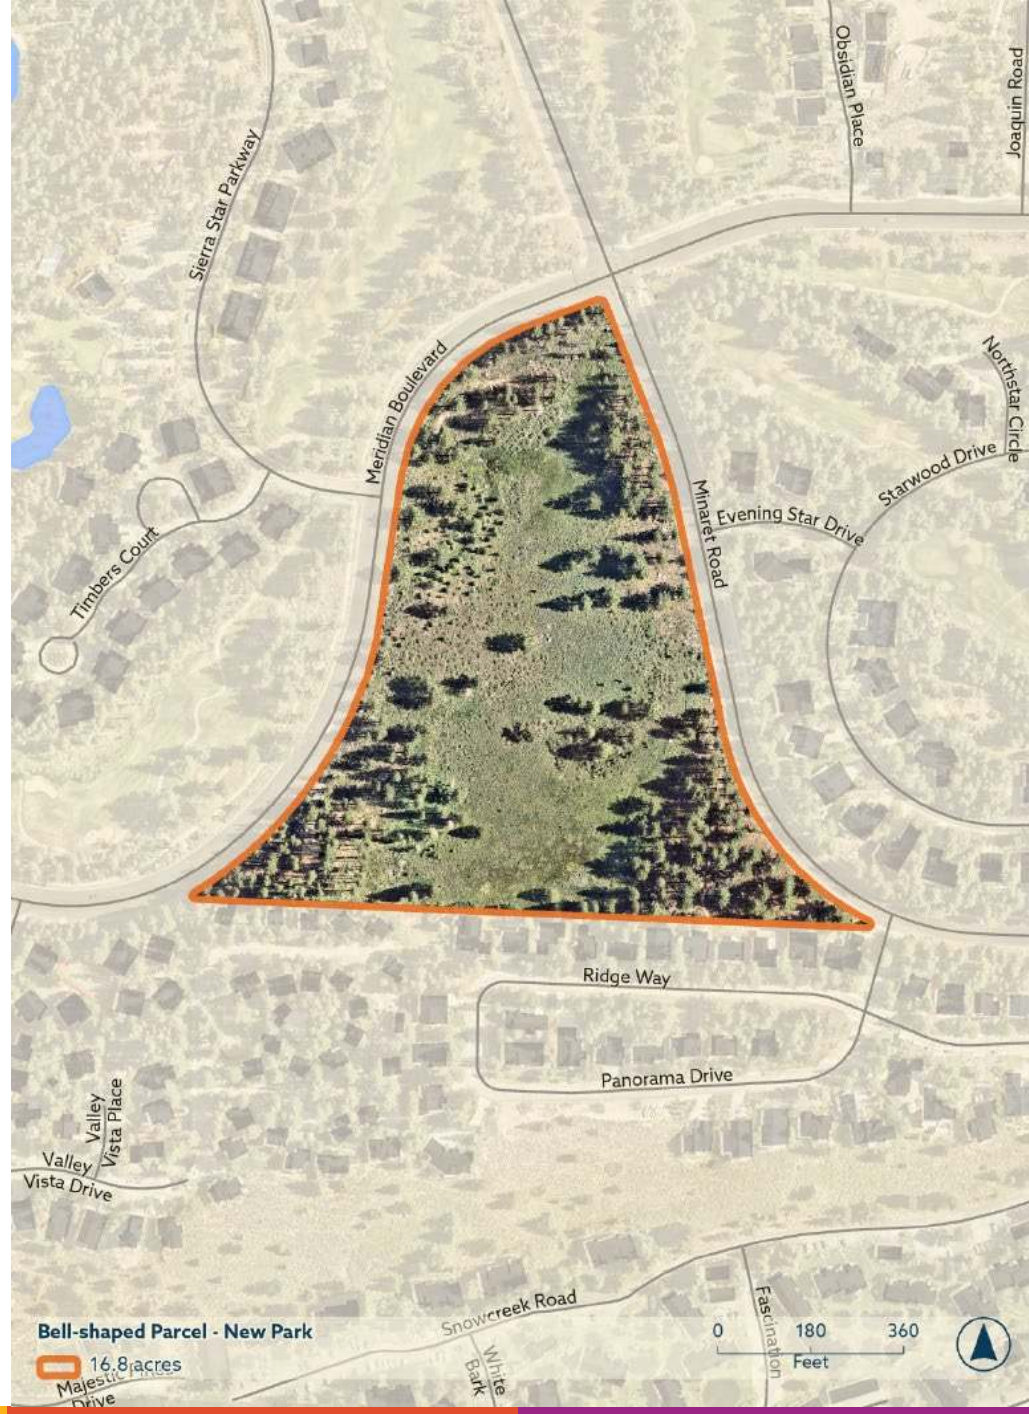

Potential New Park Opportunities

Bell Shaped Parcel

About the Site

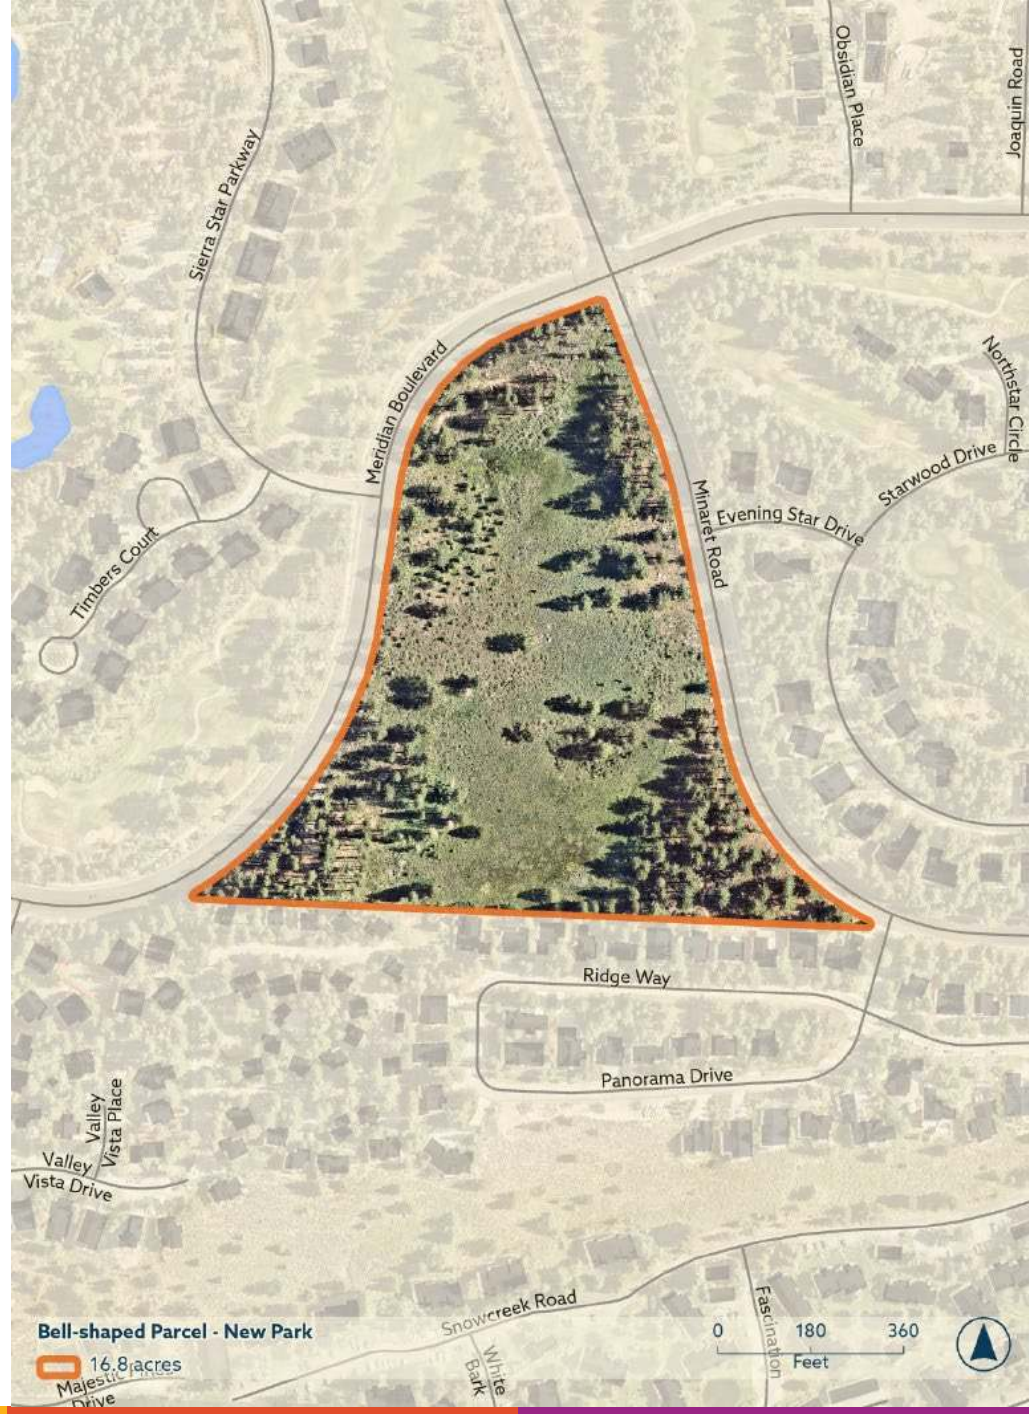

- 16.8-acre site at the corner of Meridian Boulevard and Minaret Road
- Town-owned and currently undeveloped
- Contains wetland and wet meadow habitat
- Rezoned from “Resort” to “Open Space” in 2010 to allow a greater level of site preservation while still allowing public uses like parks and recreation facilities

Bell Shaped Parcel

Site Background

- The Town has been considering this site for a park for over 10 years and conducted a “Plan Your Parks” workshop for the site in 2014.
- A preliminary Delineation of Aquatic Resources was conducted in 2016 and identified 0.63 acres of aquatic habitats, including wet montane meadow, wetland swale, and drainage.
- In response to demand for additional recreation amenities for current and future residents, the Town is exploring opportunities for this site again through the PRMP.
    - Scope for PRMP included an initial environmental constraints analysis for the site, community engagement, and a high-level planning conceptual site plan.

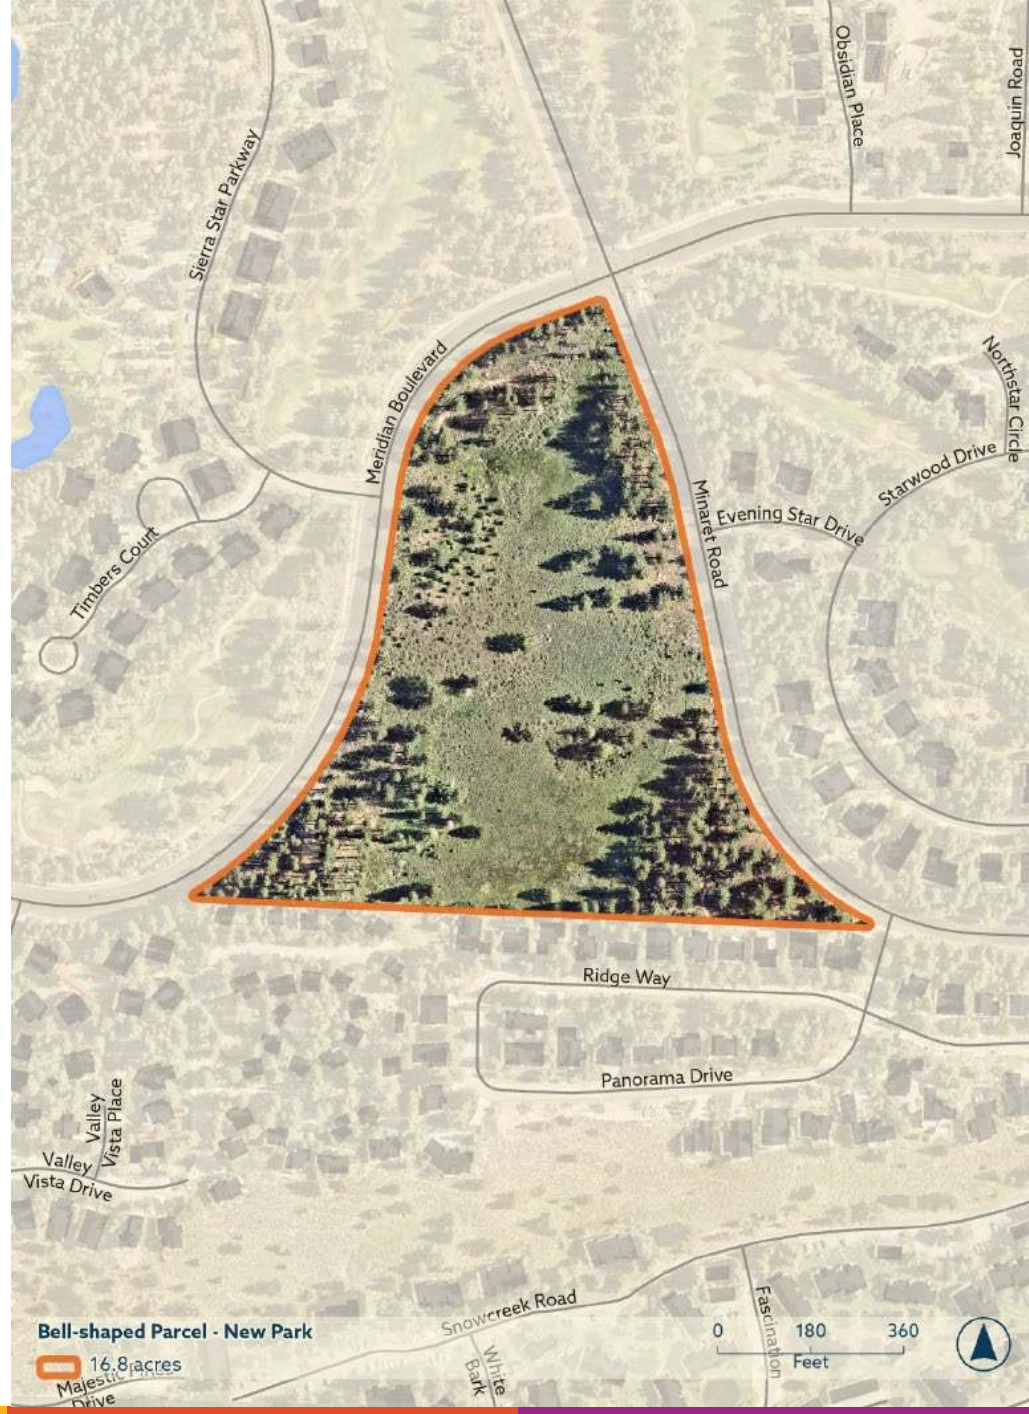

Bell Shaped Parcel

The Town is considering this site for a potential new park for the following reasons:

- It is owned by the Town, eliminating the need for land acquisition.
- It is currently undeveloped, so site development will not displace any established uses.
- It is centrally located within the town's Urban Growth Boundary and would fill one of the largest gaps in walkable park service, improving the equitable access and distribution of parkland in Mammoth Lakes.
- It offers parkland to add recreation amenities desired by community members.
- It would be accessible by foot, bicycle, public transit, and car due to the planned improvements around the site.

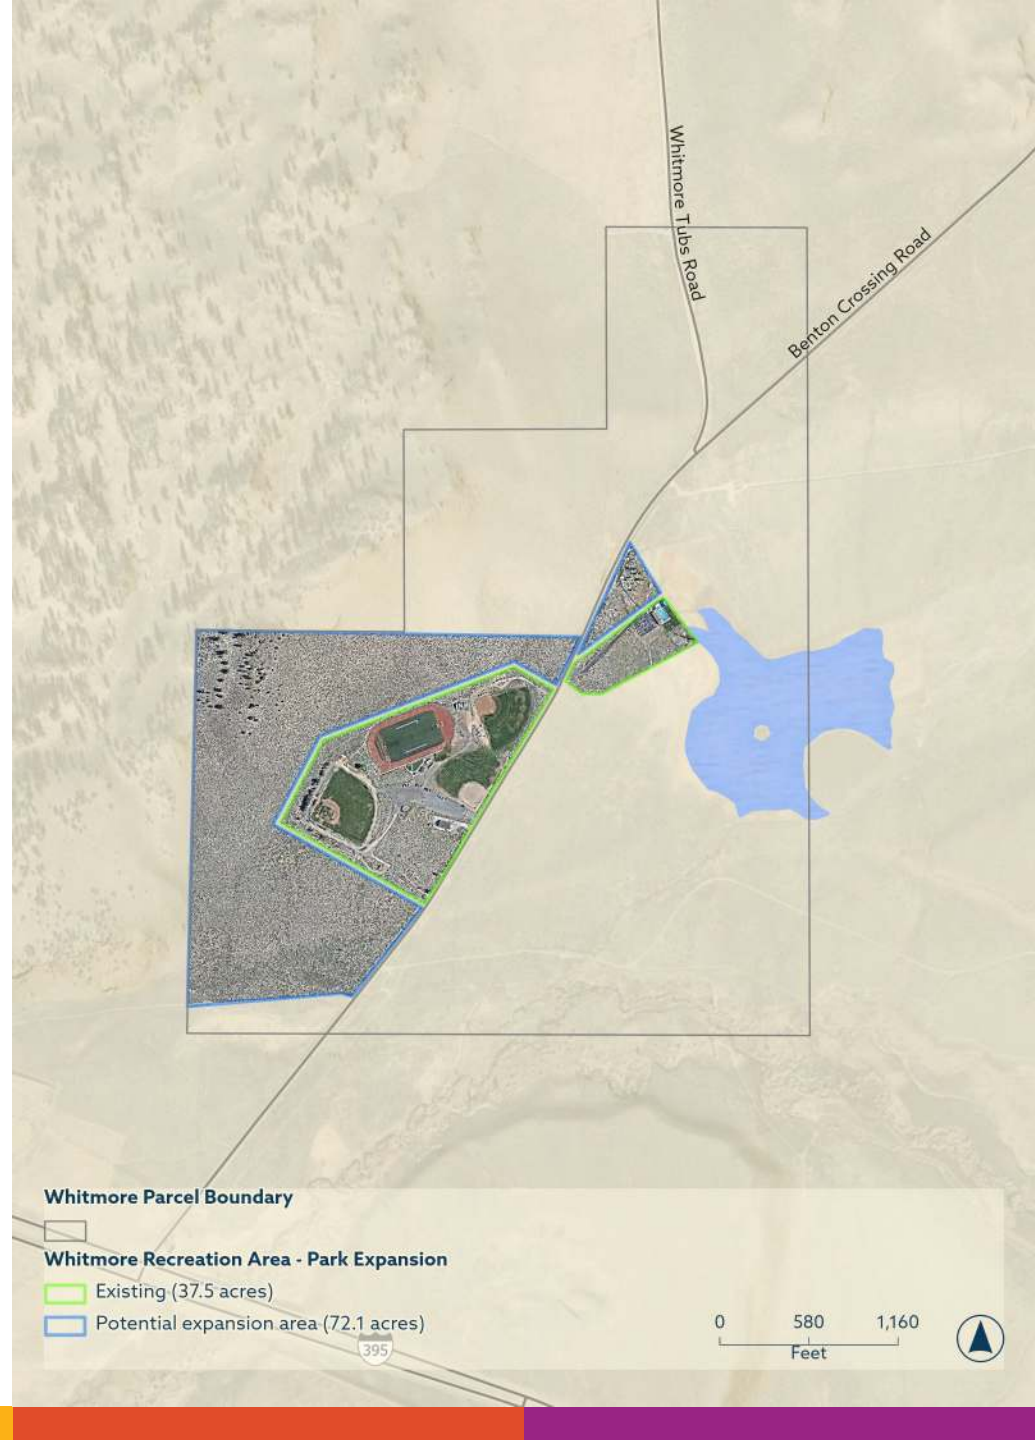

What questions, concerns, or ideas do you have about a potential park at the Bell Shaped Parcel?

Whitmore Recreation Area Expansion

- The Town is exploring an opportunity to **expand the Whitmore Recreation Area by 70+ acres** through a lease extension with LADWP.
- Through this PRMP, the Town will **collect input on what potential amenities people would like to use if the site were expanded**, and use input as a starting point for a future park master planning process.
- A preliminary, desktop environmental constraints analysis was conducted for the site as part of the PRMP.

What questions, concerns, or ideas do you have about a potential park expansion at the Whitmore Recreation Area?

Mammoth Lakes Pickleball Complex Expansion

- To address community concerns regarding the dilapidated tennis courts at Community Center Park, the Town has **initiated a mutually beneficial land transfer with MUSD to expand the Mammoth Lakes Pickleball Complex by approximately 2.5 acres**.

- Once the land exchange is complete, the Town will explore the feasibility of **constructing two to four new post-tension concrete tennis courts adjacent to the pickleball complex**.

What questions, concerns, or ideas do you have about the Pickleball Complex expansion?

Potential Indoor Rec Facility Opportunities

Potential Opportunity Sites for Indoor Recreation Facilities

- Mammoth Lakes Elementary School: MUSD is exploring the feasibility of an indoor fieldhouse at the Elementary School.
- Snowcreek Athletic Club: The Town can explore opportunities to partner with Snowcreek Athletic Club to develop a municipal indoor aquatic facility/pool.
- The Parcel: The Town is interested in constructing a community center at The Parcel housing development.
- Mammoth Lakes Community Church: Potential opportunity for a new community center or indoor gathering space for older adults or teens, if The Parcel is not feasible.
- Bell Shaped Parcel: Depending on community input and site constraints, the Bell Shaped Parcel may offer an opportunity for a small recreation center with a gymnasium for year-round indoor sports play.

What questions, concerns, or ideas do you have for indoor recreation facilities?

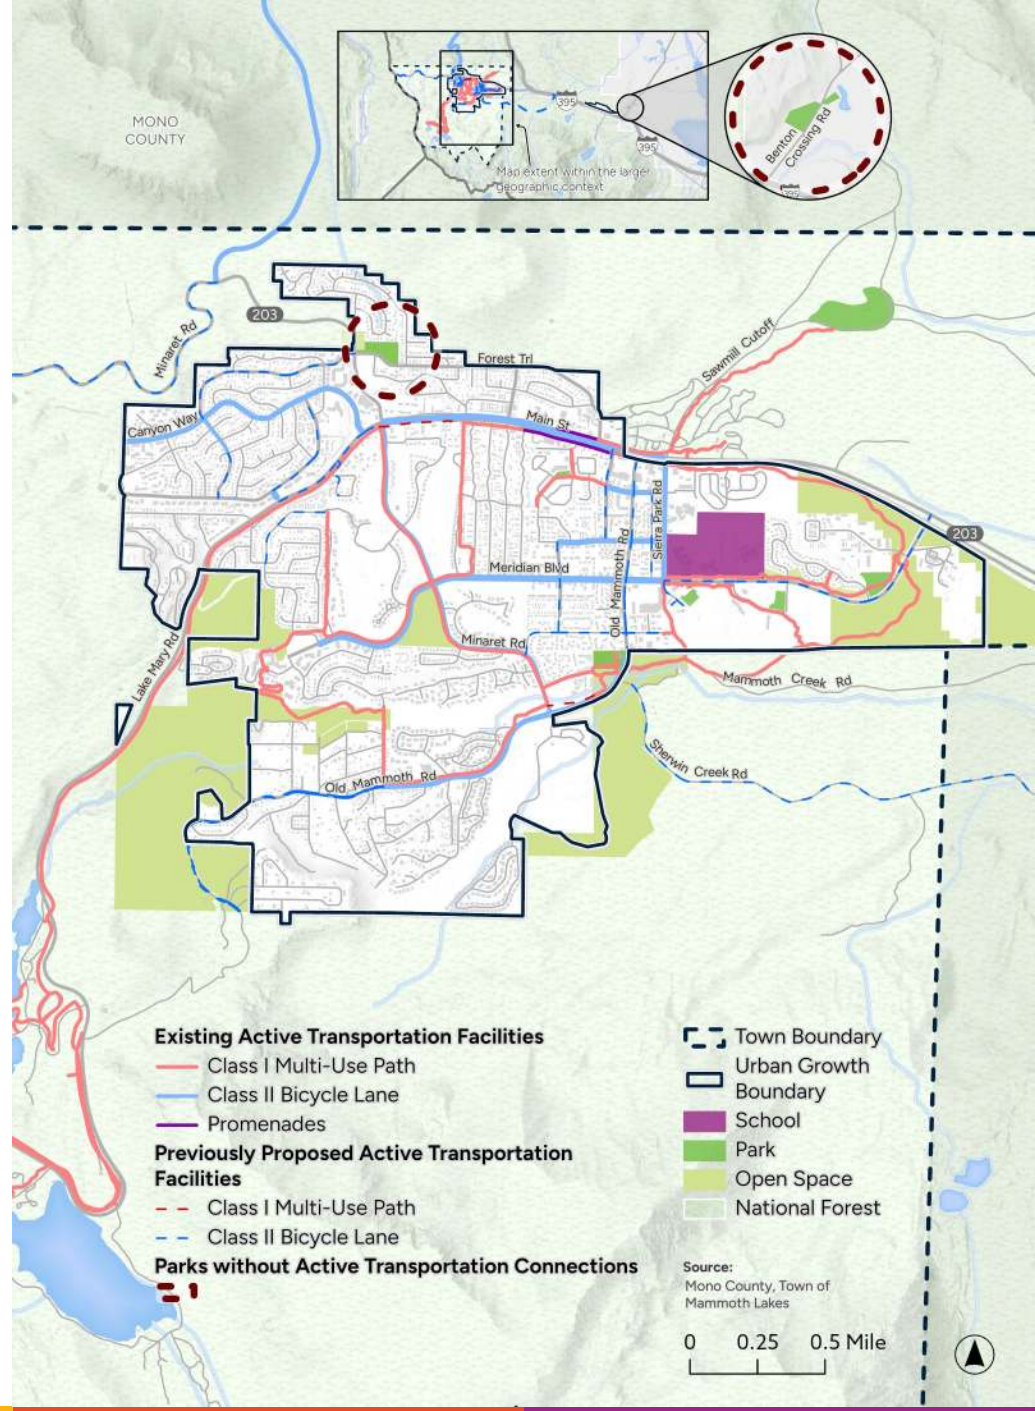

Enhancements to MUP System

Enhancements to the MUP System

- **Bridge Gaps**: Construct previously planned MUPs to bridge gaps in the MUP system, such as portions of the Town Loop along Main Street and Old Mammoth Road.
- **Enhance Connectivity to The Village**: Through the North Village Specific Plan Update, explore opportunities to install a bicycle lane or a MUP from Lake Mary Road to The Village to improve safety, comfort, and access for bicyclists traveling between key destinations.
- **Continue to Expand and Enhance System**: Identify new opportunities to expand the MUP system and provide additional routes to key destinations throughout Mammoth Lakes. Enhance the MUP system through improved regulatory and interpretive signage, safety/traffic calming measures, and general maintenance.
- **Address Conflicts Between MUP Users:** Consider actions to address safety and conflict issues associated with e-bicycle use along the MUPs, such as publicizing the types of e-bicycles allowed and prohibited on MUPs, signage with e-bike rules and regulations, educational campaigns/events/trainings in partnership with key stakeholders, a graduated enforcement plan, and a data collection program.

What questions, concerns, or ideas do you have for enhancing the MUP system?

Improvements to Existing Parks

Community Center Park

- Repair or relocate the cracked and uneven asphalt surface of tennis courts #3 and #4 and dual-purpose courts (tennis/pickleball) #1 and #2.
- Install park signage and wayfinding signage to increase visibility and awareness of the park.
- Install bicycle parking, a bike fix-it station, and MUP wayfinding signage to support active transportation in this area.
- **Note**: The Town is in the process of updating the North Village Specific Plan. Through this process, it will explore park reconfiguration options, aligned with the needs of the community, surrounding neighbors, and Village guests.

Mammoth Creek Park & CRC

- Replace or upgrade benches as necessary to achieve ADA compliance and ensure safe use by all users.
- Install additional benches for public use.
- As space permits, explore opportunities to add more indoor recreation amenities to the CRC.

Mammoth Lakes Community Dog Park

- Install dog play features.

Mammoth Lakes Pickleball Complex

- Complete land exchange with MUSD and expand the site to add two to four new post-tension concrete tennis courts, becoming a Racquet Complex.
- Provide lighting and bench seating for new tennis courts.
- Upgrade the existing lighting for pickleball courts.
- Provide additional shade on the playing surface.
- Enhance the picnic area.

Park at the Parcel

- Plan, design, and construct a new community center at the Park at the Parcel that could also function as a community resilience center.

Shady Rest Park

- Install a chain-link fence from the playground to the skate park.
- Install a larger and winterized restroom near the playground.
- Enhance the picnic area with electric BBQs.
- Consider coordinating with Parks Maintenance to make soccer goals more available to the public during the summer months.
- Consider installing floodlighting with integrated glare guards to enable sports field use in the evenings.
- Replace or upgrade picnic tables and benches as necessary to achieve ADA compliance and ensure safe use by all users.
- Consider installing traffic calming measures to reduce speeding and improve safety for all road users around the park.
- Create a formal shuttle/transit stop with a protected transit shelter near the playground parking lot to improve accessibility during the operating season.

Whitmore Recreation Area

- Consider installing a portable or permanent restroom at the lower fields (ballfield #2) for convenient access.
- Consider upgrading ballfield amenities (e.g., lights) to support large-scale tournaments.
- Coordinate with Eastern Sierra Transit to reintroduce a transit route to Whitmore Recreation Area during the operating season.
- Expand Whitmore Recreation Area and install additional parks and recreation amenities.
- Conduct a planning study for the entire Whitmore Recreation Area, inclusive of the new acreage.

Q&A

Looking Ahead

Upcoming PRMP Advisory Committee Meetings

	Meeting	Tentative Timing	Topic
☑	Meeting #1	October 27, 2025	Project Kick-Off
☑	Meeting #2	February 9, 2026	Financial Literacy & Sustainability
☑	Meeting #3	May 18, 2026	Key Findings of Existing Conditions Analysis & Engagement
☑	Meeting #4	July 27, 2026	Draft Recommendations
	Meeting #5	September 21, 2026	Cost Recovery Workshop
	Meeting #6	November 30, 2026	Draft Plan Review

Next Steps for Summer

- Relaunch online survey for Bell Shaped Parcel and Whitmore Recreation Area expansion
- Continue developing draft recommendations
- Prepare for Fall pop-up booth and community workshop

Save the Dates

- **Community Open House:** Wednesday, September 23 from 6:00-7:30 pm
- **Pop-up Booth at Trailfest**: Thursday, September 24th from 4:00-8:00 pm

Final Thoughts?

Thank You!
