Mammoth Lakes Town Council
Agenda Action Sheet

Title: Resolution authorizing the temporary closure of Canyon Blvd. for the Rebelle Rally Technical Vehicle Inspection on October 9, 2024.

Council Meeting Date: 9/18/2024

Prepared by: Stuart Brown, Parks and Recreation Director
Haislip Hayes, Public Work Director and Town Engineer

Recommended Motion: Adopt the resolution authorizing the temporary closure of Canyon Blvd. for the Rebelle Rally Technical Vehicle Inspection on October 9, 2024.

Summary: The Town of Mammoth Lakes desires to assist the private sector in the implementation of special events that increase visitation to the community and enhance the quality of life for residents. The Rebelle Rally is the longest competitive off-road navigation rally in the United States and is also the first women's endurance off-road rally in America.

The Rebelle Rally starts in Mammoth Lakes and covers 2,500 kilometers of terrain across the Nevada and California desert. The temporary road closure will allow the event organizer to conduct technical inspections of approximately 65 vehicles and provide for emergency access as needed on Canyon Blvd.

The Town has coordinated with the event organizer and a traffic control plan will direct the placement of traffic control equipment for the closure and permit the event organizer in coordination with the Public Works Department and Mammoth Lakes Police Department, to monitor the traffic within the event area and make any modifications that are deemed necessary for public safety.
