Should one or more of such personnel become unavailable, Consultant may substitute other personnel of at least equal competence upon written approval of Town. In the event that Town and Consultant cannot agree as to the substitution of key personnel, Town shall be entitled to terminate this Agreement for cause. As discussed below, any personnel who fail or refuse to perform the Services in a manner acceptable to the Town, or who are determined by the Town to be uncooperative, incompetent, a threat to the adequate or timely completion of the Project or a threat to the safety of persons or property, shall be promptly removed from the Project by the Consultant at the request of the Town. The key personnel for performance of this Agreement are as follows: Jennifer Murillo, Director.

3.2.7 Coordination of Services. Consultant agrees to work closely with Town staff in the performance of Services and shall be available to Town's staff, consultants and other staff at all reasonable times.

3.2.8 Standard of Care; Performance of Employees. Consultant shall perform all Services under this Agreement in a skillful and competent manner, consistent with the standards generally recognized as being employed by professionals in the same discipline in the State of California. Consultant represents and maintains that it is skilled in the professional calling necessary to perform the Services. Consultant warrants that all employees and subconsultants shall have sufficient skill and experience to perform the Services assigned to them. Finally, Consultant represents that it, its employees and subconsultants have all licenses, permits, qualifications and approvals of whatever nature that are legally required to perform the Services, and that such licenses and approvals shall be maintained throughout the term of this Agreement. As provided for in the indemnification provisions of this Agreement, Consultant shall perform, at its own cost and expense and without reimbursement from the Town, any services necessary to correct errors or omissions which are caused by the Consultant's failure to comply with the standard of care provided for herein. Any employee of the Consultant or its sub-consultants who is determined by the Town to be uncooperative, incompetent, a threat to the adequate or timely completion of the Project, a threat to the safety of persons or property, or any employee who fails or refuses to perform the Services in a manner acceptable to the Town, shall be promptly removed from the Project by the Consultant and shall not be re-employed to perform any of the Services or to work on the Project.

If Consultant performs any work knowing it to be contrary to such laws, rules and regulations, Consultant shall be solely responsible for all costs arising therefrom. Consultant shall defend, indemnify and hold Town, its officials, directors, officers, employees, agents, and volunteers free and harmless, pursuant to the indemnification provisions of this Agreement, from any claim or liability arising out of any failure or alleged failure to comply with such laws, rules or regulations.

3.2.10 Insurance.

3.2.10.1 Time for Compliance. Consultant shall not commence work under this Agreement until it has provided evidence satisfactory to the Town that it has secured all insurance required under this section. In addition, Consultant shall not allow any subconsultant to commence work on any subcontract until it has provided evidence satisfactory to the Town that the subconsultant has secured all insurance required under this section.

3.2.10.2 Types of Insurance Required. As a condition precedent to the effectiveness of this Agreement for work to be performed hereunder, and without limiting the indemnity provisions of the Agreement, the Consultant, in partial performance of its obligations under such Agreement, shall procure and maintain in full force and effect during the term of the Agreement the following policies of insurance. If the existing policies do not meet the insurance requirements set forth herein, Consultant agrees to amend, supplement or endorse the policies to do so.

(A) Commercial General Liability: Commercial General Liability Insurance which affords coverage at least as broad as Insurance Services Office "occurrence" form CG 0001, or the exact equivalent, and shall be no less than $1,000,000 per occurrence and no less than $2,000,000 in the general aggregate. Defense costs shall be paid in addition to the limits. The policy shall contain no endorsements or provisions limiting coverage for (1) contractual liability; (2) cross liability exclusion for claims or suits by one insured against another; or (3) contain any other exclusion contrary to the Agreement.

(B) Automobile Liability Insurance: Automobile Liability Insurance with coverage at least as broad as Insurance Services Office Form CA 0001 covering "Any Auto" (Symbol 1), or the exact equivalent, covering bodily injury and property damage for all activities shall be in an amount of not less than $1,000,000 combined limit for each occurrence.

(C) Workers' Compensation: Workers' Compensation Insurance, as required by the State of California and Employer's Liability Insurance with a limit of not less than $1,000,000 per accident for bodily injury and disease.

(D) Professional Liability: Professional Liability insurance with minimum limits of $1,000,000 per claim and in the aggregate. Covered professional services shall specifically include all work to be performed under the Agreement and delete any exclusions that may potentially affect the work to be performed (for example, any exclusions relating to lead, asbestos, pollution, testing, underground storage tanks, laboratory analysis, soil work, etc.). If coverage is written on a claims-made basis, the retroactive date shall precede the effective date of the initial Agreement and continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least three (3) years from termination or expiration of this Agreement.

3.2.10.3 Endorsements. Required insurance policies shall not be in compliance if they include any limiting provision or endorsement that has not been submitted to the Town for approval.

(A) The policy or policies of insurance required by Section 3.2.10.2(A),

Commercial General Liability shall be endorsed to provide the following:

(1) Additional Insured: Consultant agrees to endorse the third party general liability coverage required herein to include as additional insureds Town, its officials, employees, agents, and volunteers, using standard ISO endorsement No. CG 2010 with an edition date of 2010 or similar form. This provision shall also apply to any excess/umbrella liability policies. Consultant also agrees to require all contractors, subcontractors, and anyone else involved in any way with the Project contemplated by this Agreement to do likewise.

(B) The policy or policies of insurance required by Section 3.2.10.2(C), Workers' Compensation, shall be endorsed to provide the following:

(1) Waiver of Subrogation: A waiver of subrogation stating that the insurer waives all rights of subrogation against the indemnified parties.

3.2.10.4 Primary and Non-Contributing Insurance. All insurance coverages shall be primary and any other insurance, deductible, or self-insurance maintained by the indemnified parties shall not contribute with this primary insurance. Policies shall contain or be endorsed to contain such provisions.

3.2.10.5 Waiver of Subrogation. Required insurance coverages shall not prohibit Consultant from waiving the right of subrogation prior to a loss. Consultant shall waive all subrogation rights against the indemnified parties. Policies shall contain or be endorsed to contain such provisions.

3.2.10.6 Deductible. Any deductible or self-insured retention must be approved in writing by the Town and shall protect the indemnified parties in the same manner and to the same extent as they would have been protected had the policy or policies not contained a deductible or self-insured retention.

3.2.10.7 Evidence of Insurance. The Consultant, concurrently with the execution of the Agreement, and as a condition precedent to the effectiveness thereof, shall deliver either certified copies of the required policies, or original certificates and endorsements on forms approved by the Town. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. At least fifteen (15) days prior to the expiration of any such policy, evidence of insurance showing that such insurance coverage has been renewed or extended shall be filed with the Town. If such coverage is cancelled or reduced, Consultant shall, within ten (10) days after receipt of written notice of such cancellation or reduction of coverage, file with the Town evidence of insurance showing that the required insurance has been reinstated or has been provided through another insurance company or companies.

3.2.10.8 Failure to Maintain Coverage. Consultant agrees to suspend

and cease all operations hereunder during such period of time as the required insurance coverage is not in effect and evidence of insurance has not been furnished to the Town. The Town shall have the right to withhold any payment due Consultant until Consultant has fully complied with the insurance provisions of this Agreement. In the event that the Consultant's operations are suspended for failure to maintain required insurance coverage, the Consultant shall not be entitled to an extension of time for completion of the Services because of production lost during suspension. Contractor shall provide immediate written notice if: (i) any of the required insurance policies is terminated; (ii) the limits of any of the required policies are reduced; or (iii) the deductible or self-insured retention is increased.

3.2.10.9 Acceptability of Insurers. Each such policy shall be from a company or companies with a current A.M. Best's rating of no less than A:VII and authorized to do business in the State of California, or otherwise allowed to place insurance through surplus line brokers under applicable provisions of the California Insurance Code or any federal law.

3.2.10.10 Pass Through Clause. Consultant agrees to ensure that its subconsultants, subcontractors, and any other party involved with the project who is brought onto or involved in the project by Consultant, provide the same minimum insurance coverage and endorsements required of Consultant. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this section. Consultant agrees that upon request, all agreements with consultants, subcontractors, and others engaged in the project will be submitted to the Town for review.

3.2.10.11 Requirements Not Limiting. Requirements of specific coverage features or limits contained in this Agreement are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all inclusive, or to the exclusion of other coverage, or a waiver of any type. If Consultant maintains higher limits than the minimums shown above, Town requires and shall be entitled to coverage for the higher limits maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to Town.

3.2.10.12 Prohibition of Undisclosed Coverage Limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to the Town and approved of in writing.

3.2.10.13 Separation of Insureds. A severability of interests provision must apply for all additional insureds ensuring that Consultant’s insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the insurer’s limits of liability. The policy(ies) shall not contain any cross-liability exclusions.

3.2.10.14 Timely Notice of Claims. Consultant shall give the Town prompt and timely notice of claims made or suits instituted that arise out of or result from Consultant’s performance under this Agreement, and that involve or may involve coverage under

any of the required liability policies.

3.2.11 Safety. Consultant shall execute and maintain its work so as to avoid injury or damage to any person or property. In carrying out its Services, the Consultant shall at all times be in compliance with all applicable local, state and federal laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed. Safety precautions, where applicable, shall include, but shall not be limited to: (A) adequate life protection and life saving equipment and procedures; (B) instructions in accident prevention for all employees and subconsultants, such as safe walkways, scaffolds, fall protection ladders, bridges, gang planks, confined space procedures, trenching and shoring, equipment and other safety devices, equipment and wearing apparel as are necessary or lawfully required to prevent accidents or injuries; and (C) adequate facilities for the proper inspection and maintenance of all safety measures.

3.3 Fees and Payments.

3.3.1 Compensation. Consultant shall receive compensation, including authorized reimbursements, for all Services rendered under this Agreement at the rates set forth in Exhibit "A" attached hereto and incorporated herein by reference. The Exhibit "A" rates shall be updated annually on January 1st of each year to the the-current year rates for Consultant.

3.3.2 Payment of Compensation. Consultant shall submit monthly invoices. Town shall pay all undisputed amounts within 30 days of the receipt of each invoice.

PLANNING ASSISTANCE
DRAFT SCOPE OF WORK

Lisa Wise Consulting, Inc. (LWC)
July 20, 2026

This draft scope of work is based on LWC's understanding of the Town of Mammoth Lakes' (Town's) need for project management support and technical planning expertise for the Mammoth Crossing project, which is located within the North Village Specific Plan (NVSP). An Environmental Impact Report (EIR) for the Mammoth Crossing NVSP Amendment was certified in 2009 with a Statement of Overriding Considerations. The current Mammoth Crossing application includes a district zoning amendment (DZA) to allow for increased building area, building height, and lot coverage.

LWC is uniquely qualified to provide this assistance given LWC Director, Jen Murillo, AICP 10 years of experience working with the Town's Community and Economic Development Department (CEDD) and her familiarity with the Town's planning policies, the North Village Specific Plan, zoning code, and development review procedures. Additionally, LWC brings 20 years of experience working in California communities on similar projects, and led projects in Mammoth Lakes, including The Parcel project (2019-2020) and provided project management support for the Mammoth Main Base Redevelopment project (2022-2025).

MAMMOTH CROSSING PROJECT

LWC will conduct the following tasks for the Town's processing of the Mammoth Crossing application:

- Act as project manager on behalf of the Town of Mammoth Lakes' Community and Economic Development Department.
- Review the Mammoth Crossing application against the NVSP, Mammoth Crossing EIR (2009), and Town of Mammoth Lakes' Zoning Code (Title 17 of the Town of Mammoth Lakes' Municipal Code) where applicable to identify areas of inconsistency/noncompliance. LWC will summarize this review in memo and/or table format.
- Participate in meetings and coordinate with Town staff on this project. Meetings may include the applicant at the Town's direction and if Town staff is also present.
- Prepare staff reports and meeting materials.

ASSUMPTIONS

- LWC's attendance at meetings will be virtual. In-person meetings may be scheduled as mutually agreed upon by LWC and the Town. For any in-person meetings, LWC travel expenses will be included in addition to time spent conducting project management and technical services (see attached billable rates).
