MLTS Town Loop Pathway Signage and Wayfinding Update Proposal Affecting Eagle Lodge and Juniper Springs Resort

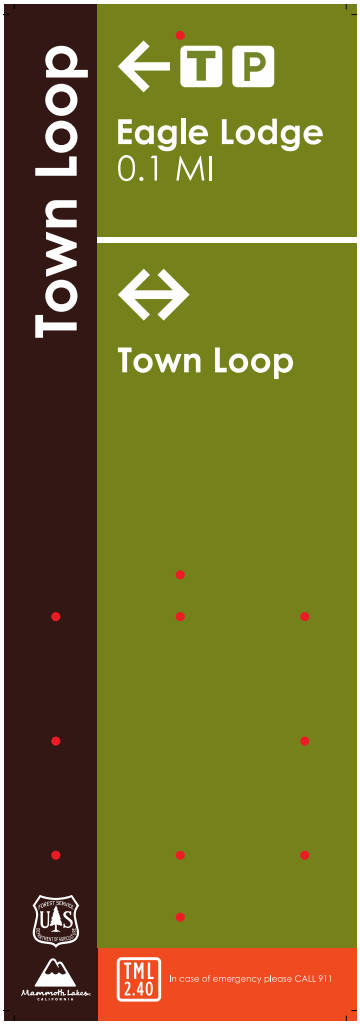

Figure 1. This image shows signage and wayfinding points proposed by the Mammoth Lakes Trail System to improve wayfinding and navigation following the Town Loop from Majestic Pines Road, around Eagle Lodge and Juniper Springs Resort and out towards the Mammoth Creek Connector and Waterford Bridge. The green points represent locations for planned signage or paintwork to assist pathway users. This project is projected to be implemented in Spring 2021 upon review and approval from Eagle Lodge and Juniper Springs Resort.
